

1.1 Msun star: radius against mass (prior to fitting)

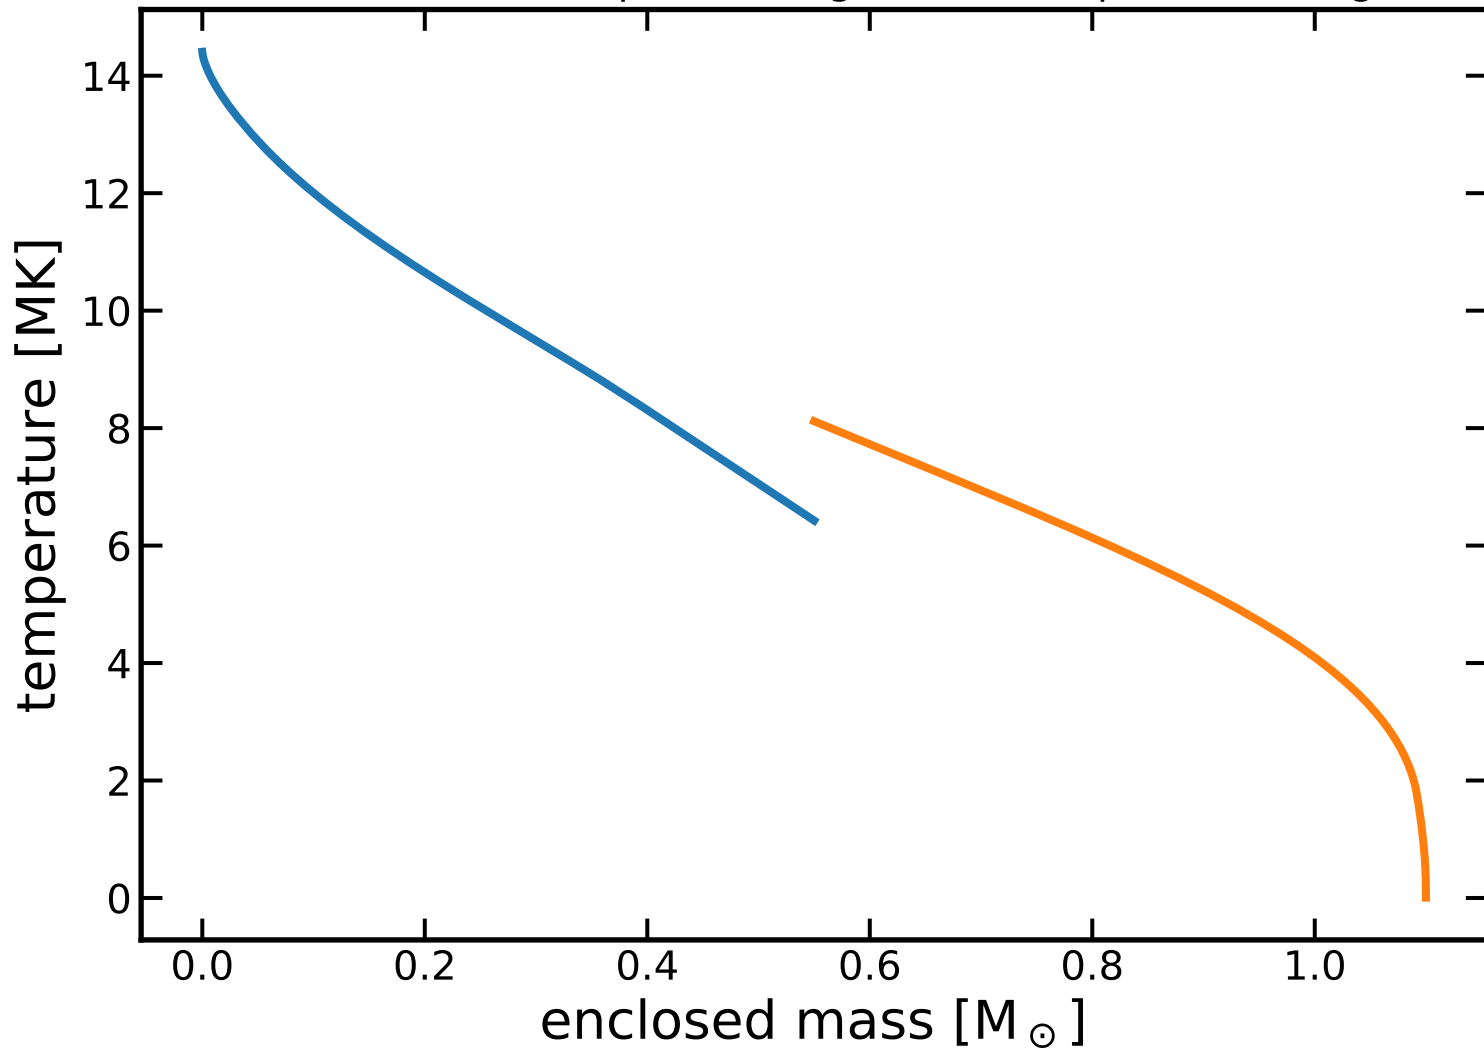

1.1 Msun star: pressure against mass (prior to fitting)

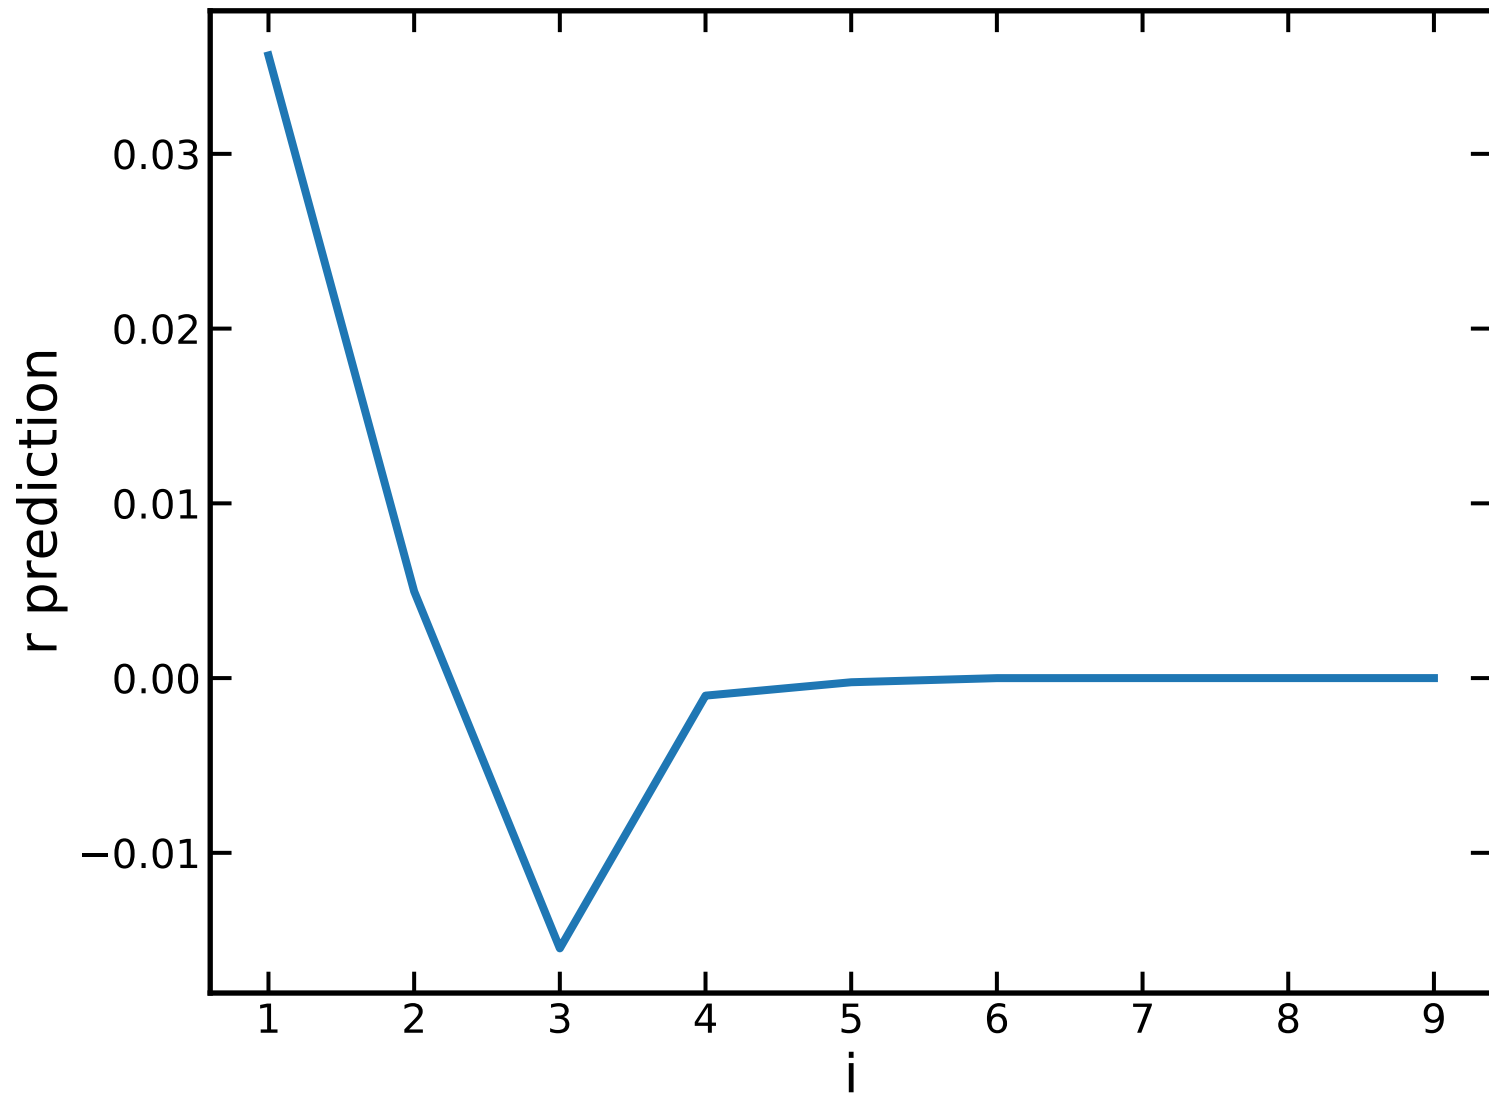

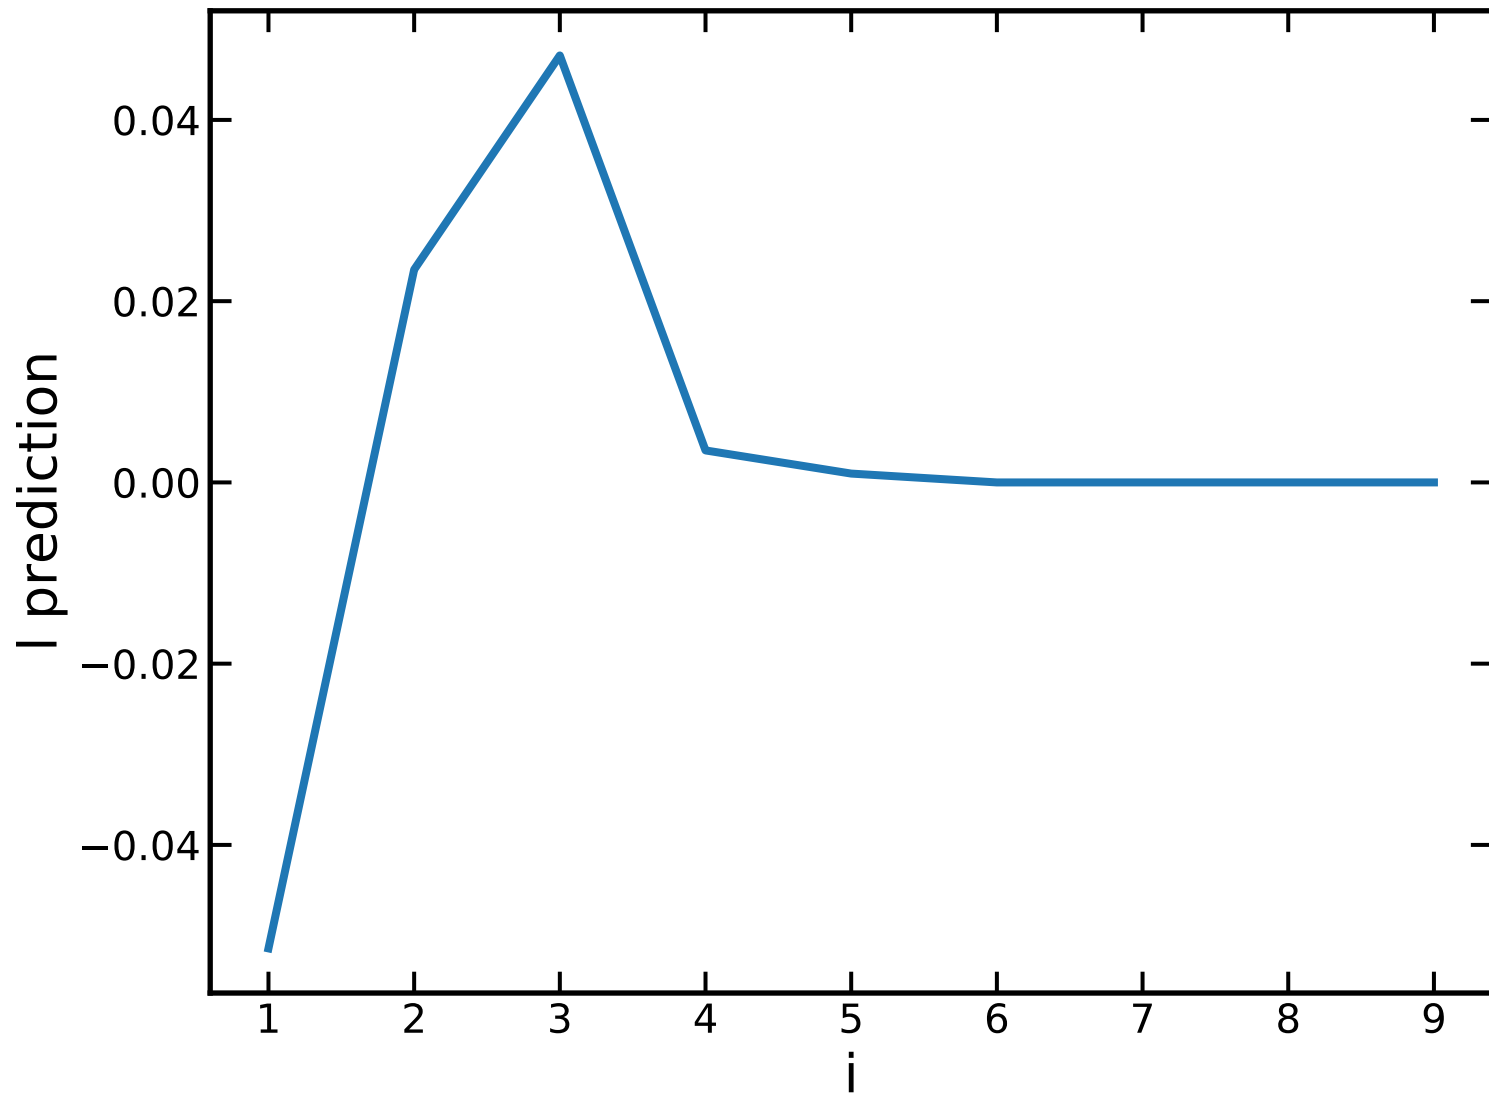

1.1 Msun star: luminosity against mass (prior to fitting)

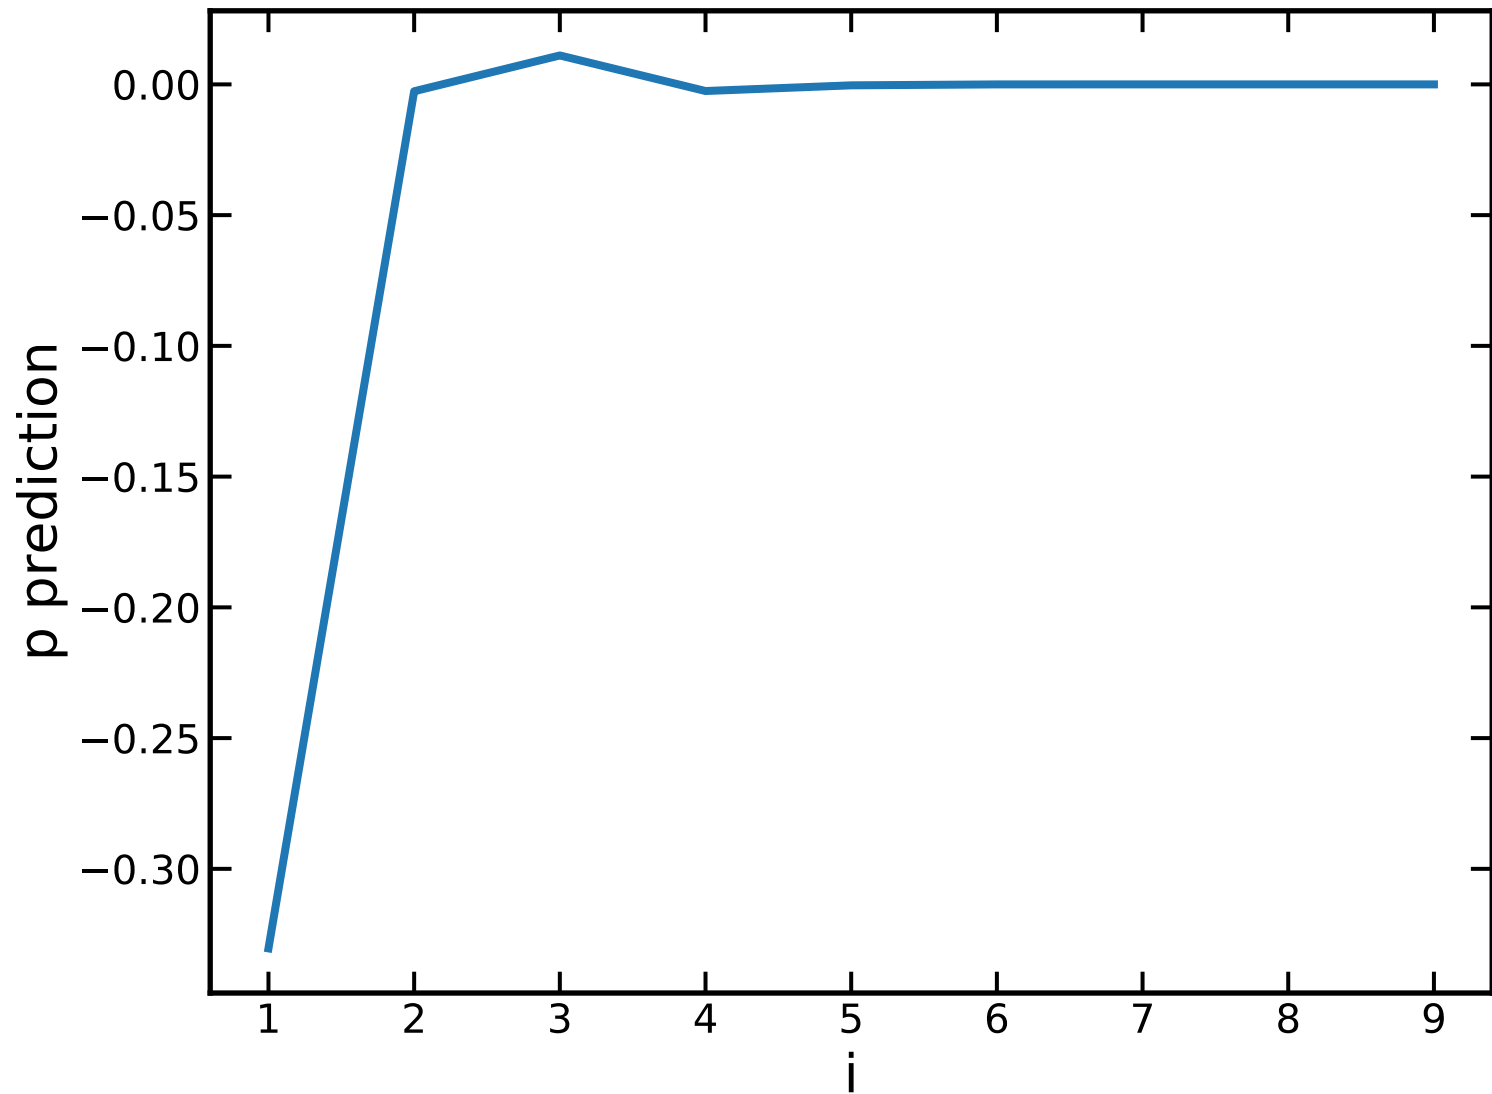

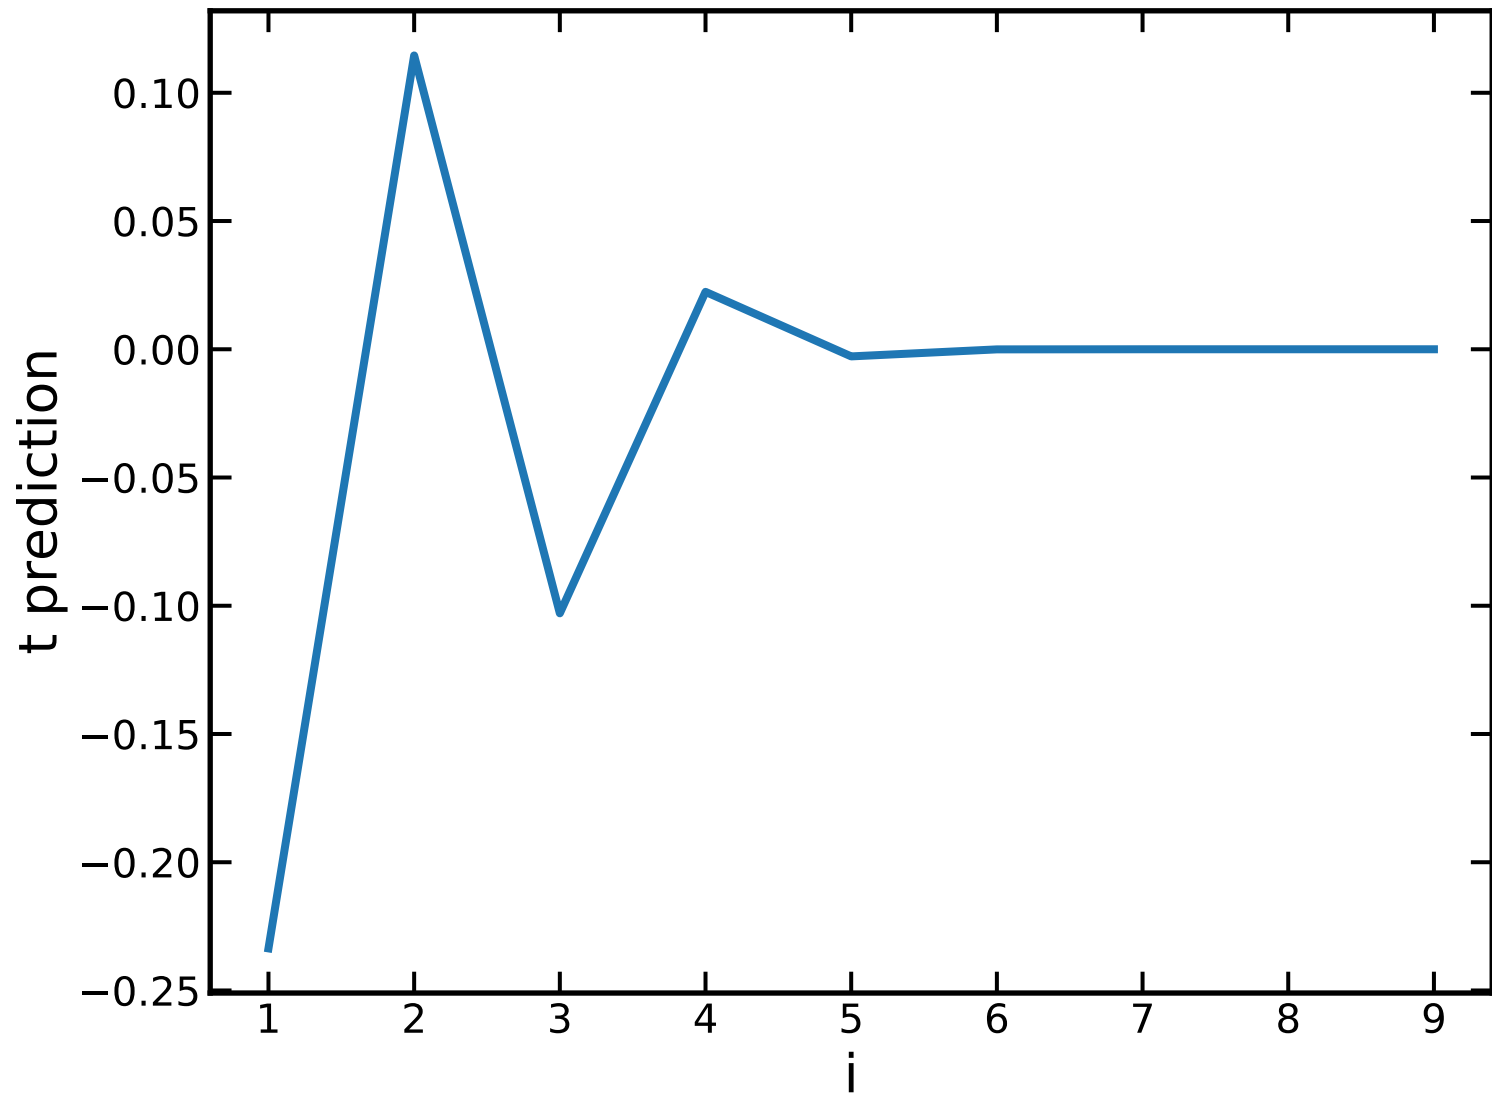

1.1 Msun star: temperature against mass (prior to fitting)

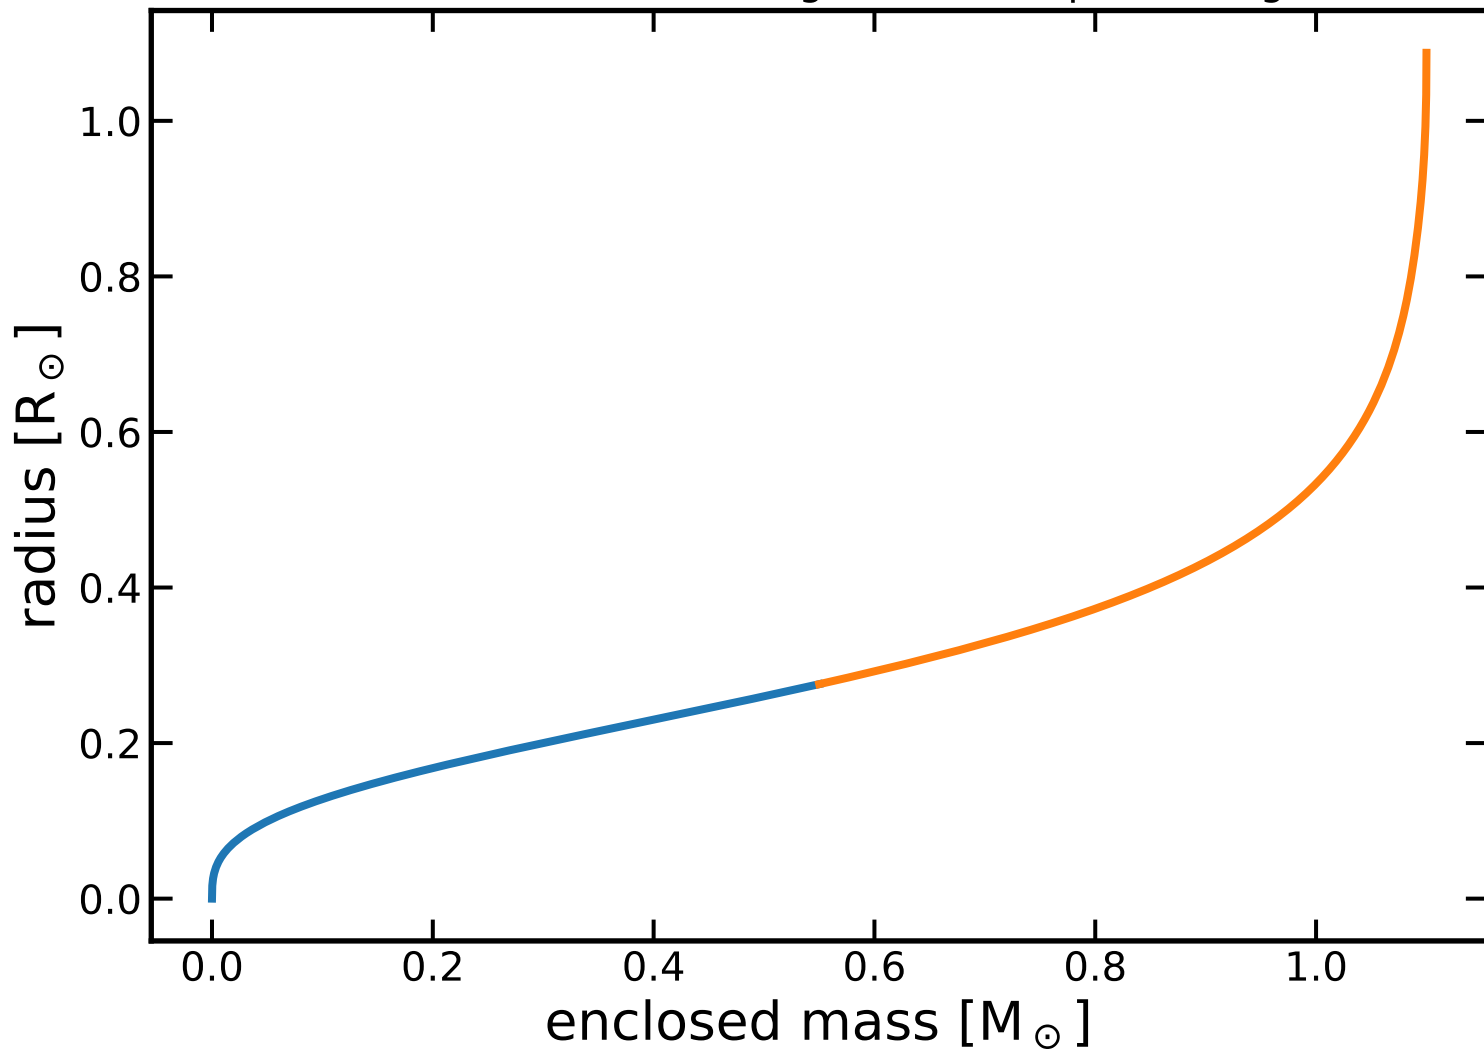

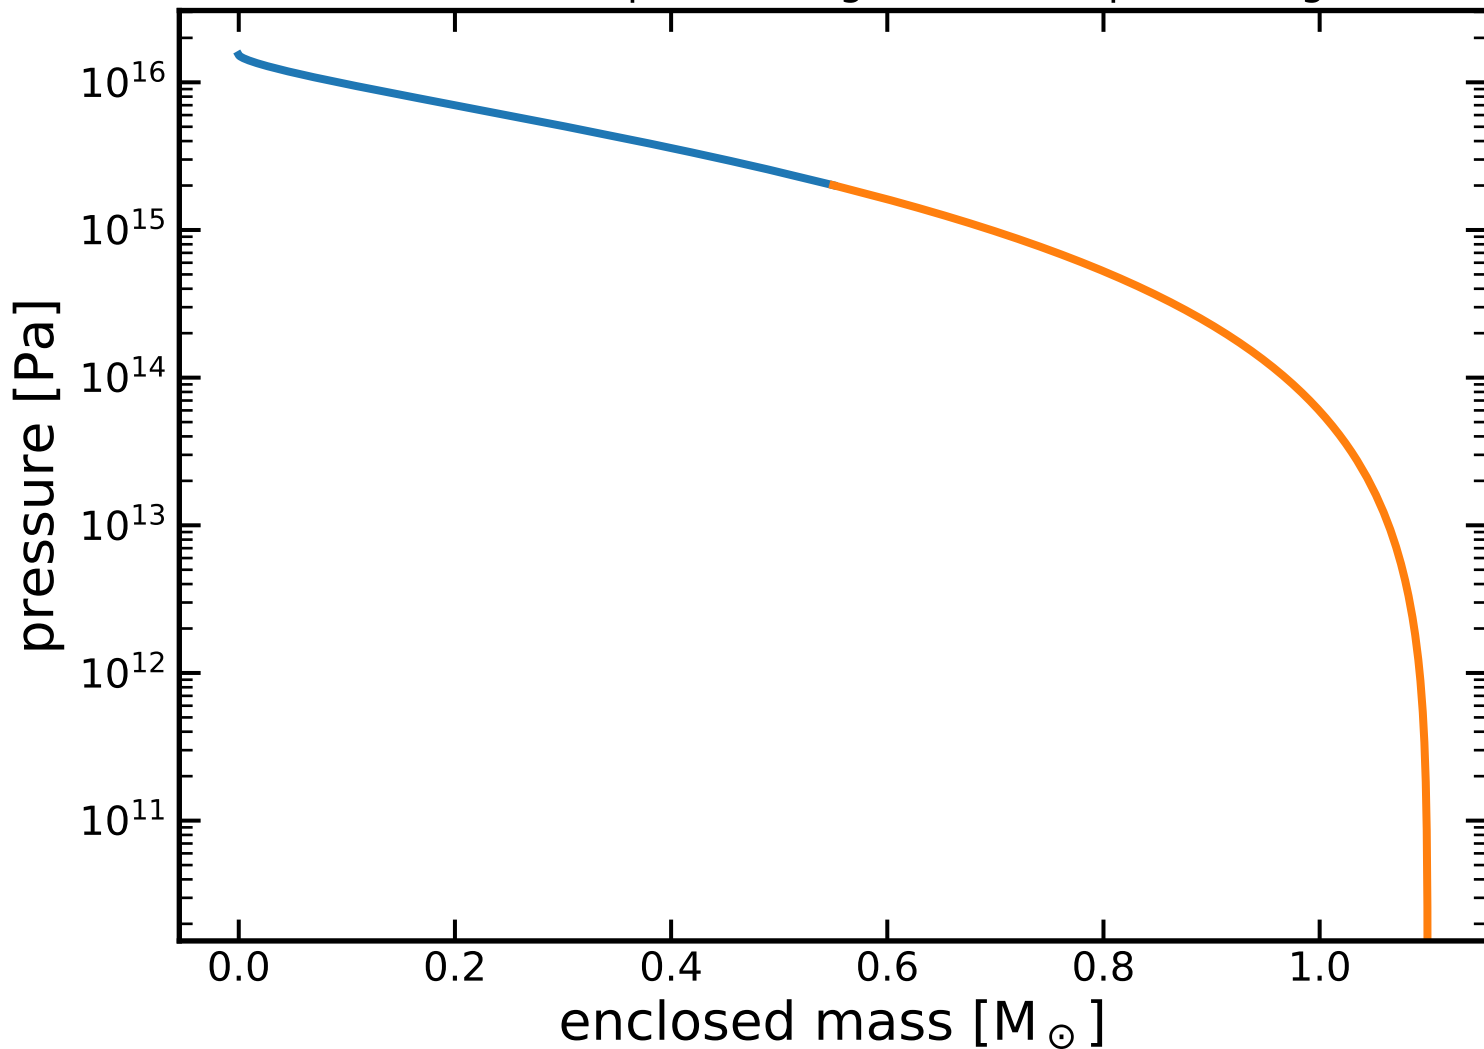

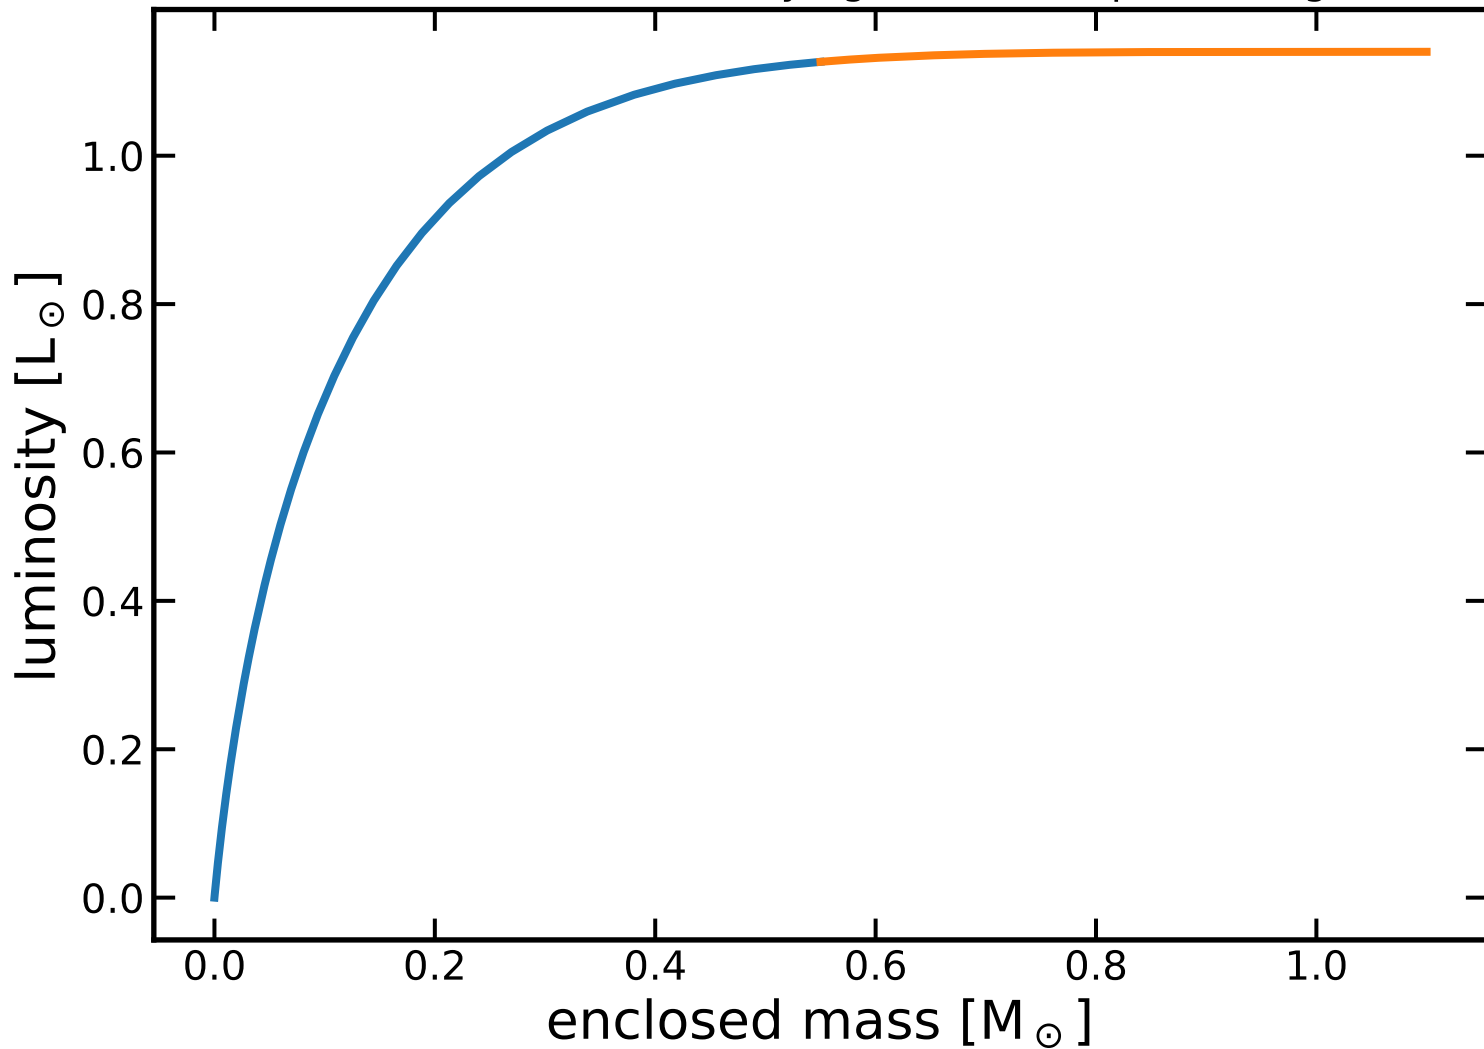

1.1 Msun star: radius against mass (post fitting)

1.1 Msun star: pressure against mass (post fitting)

1.1 Msun star: luminosity against mass (post fitting)

1.1 Msun star: temperature against mass (post fitting)
